Getting here

From Palermo Airport: taxi or private transfer is the simplest direct option. Public transport is possible via Palermo city; check current schedules.

From Palermo Centrale: take a bus or taxi towards Monreale; check routes and timetables on the day.

By car: the historic centre has narrow streets and limited parking. Follow local signs and check access restrictions.

Parking

Free parking right outside the apartment, when available. Try this first.

Blue-line street parking: look for marked blue bays nearby. Availability is not guaranteed; check the sign or meter for prices and payment rules (previously about €1/hour, always follow on-site signage).

Covered parking: Parking Monreale Duomo, Via Palermo 102, about 8–10 minutes on foot. Confirm prices and availability before arrival. If street parking is full, use it rather than circling the centre.
